**Re:** William Cooper

Dear Madam/Sirs:

William Cooper has been our head of information Technology, Graphics, and our webmaster for the past two years. William successfully and diligently fulfilled his primary responsibilities during his employment to our satisfaction. I wish him great success on his future endeavors.

As a result of the Covid-19 pandemic, our organization was forced to downsize and Bill was let go along with other members of our staff.

Please feel free to contact me if you should have any further questions. My contact information is below.
